

Idaho State Police Forensic Services

KERRY K. HOGAN

Forensic Scientist II

Idaho State Police Forensic Services

700 S. Stratford Dr. Ste. 125

Meridian, ID 83642

(208)884-7170 (Phone)

(208)884-7197 (Fax)

EDUCATION:

May 2008

University of Montana-Missoula, MT

Bachelor of Science Microbiology

Minor in Chemistry

EXPERIENCE:

2011-present

Idaho State Police Forensic Services

Forensic Scientist III:

Controlled Substances

Controlled Substances Section Supervisor

2008- 2011

Idaho State Police Forensic Services

Forensic Scientist II Biology

2007-2008

Montana State Crime Laboratory

CODIS Technician/volunteer

May 2007-

August 2007

Idaho State Police Forensic Services Intern

CERTIFICATION:

2014-present

Drug Analysis-American Board of Criminalistics (ABC)

PROFESSIONAL ORGANIZATIONS:

2010-present

Northwest Association of Forensic Scientists (NWAFS)

Board Member-Treasurer (9/2016-9/2022)

2015-present

Clandestine Laboratory Investigating Chemists Association (CLIC)

TESTIMONY:

Ada County

Adams County

Canyon County

Blaine County

Elmore County

Gem County

Gooding County

Jerome County

Kootenai County

EQUAL OPPORTUNITY EMPLOYER

Revised 3/20/23

Kerry K. Hogan

Payette County
Twin Falls County
Federal District Court, Boise ID

CONTINUING EDUCATION:

2023 Lifeguard Systems
Aquatic and Homicidal Drowning Investigations

2022 Northwest Association of Forensic Scientists
Crime Assessment as a Method of Crime Scene Investigation Workshop
Drug Chemistry Workshop
Technical Session
Presented on LizQ Imaging System

2022 Pacific Northwest Division of the International Association for Identification
Buried Body Recovery Workshop
Bullet Impact Examination Workshop
Use of Casting Material for Tool Mark Preservation Workshop

2021 Northwest Association of Forensic Scientists
Equivocal Death and Crime Scene Staging Workshop
Technical session

2019 See More Forensics
Intermediate Bloodstain Pattern Analysis
NES
Advanced Clan Labs: Beyond the Basics
Northwest Association of Forensic Scientists
Drug Chemistry Workshop
Basic Fire Investigation Workshop
Technical session

2018 See More Forensics
Basic Bloodstain Pattern Recognition
Noedel Scientific
Processing and Reconstructing Shooting Scenes
CLIC Technical Seminar
THC extraction
Recovery and recrystallization of meth
MDA synthesis
Technical session
Northwest Association of Forensic Scientists:
Forensic Science from a Prosecutor's Perspective
Lean Six Sigma Roundtable
Technical session
Agilent Technologies
GC/MS hardware/software training

2017 Northwest Association of Forensic Scientists:
Drug Design and Medicinal Chemistry
Fentanyl
Introduction to a Cannalysis Laboratory
Technical Session
Ron Smith and Associates, Inc.

Kerry K. Hogan

Fundamentals of Drug Related Crime Scene Investigation
FBI
Crime Scene Photography
2016 Midwest Counterdrug Training Center
Micro Drug Labs Recognition and Safety
Northwest Association of Forensic Scientists:
Hash Oil Extraction
Organic Chemistry Refresher
Technical Session
2015 Clandestine Laboratory Investigating Chemists Association (CLIC) 25th
Annual Technical Training Seminar
2014 NWAFS/CAC Technical Session
2013 DEA Forensic Chemist Seminar
2012 Clandestine Laboratory Safety Certification Program
2011 American Academy of Forensic Sciences Technical Session
West Virginia University Forensic Science Initiative:
Introduction to Drug Chemistry
Forensic Mass Spectrometry
2010 Northwest Association of Forensic Scientists:
Courtroom Testimony
Sexual Assault Inquiry
DNA Mixture Interpretation
Y-STR Analysis
2009 California Criminalistics Institute:
Genetic Typing Methods and Biological Fluids Identification
DNA Extraction and Quantitation
Clothing Examination and Microscopy
Interpretation of Sexual Assault Evidence
Short Tandem Repeat Analysis and Typing
Y-STR Analysis and Typing
DNA Quantification
Courtroom Presentation of DNA Evidence
Population Genetics and Statistics in Forensic DNA Analysis
Technical Writing for the Criminalist
West Virginia University Forensic Science Initiative:
Bloodstain pattern Analysis
Ethics in Forensic Science
Hair Examination for DNA Analysis
Northwest Association of Forensic Scientists:
DNA Analysis
FBI
Crime Scene Photography
