

Idaho Forensic Science Forum

A monthly presentation of the most current and timely information regarding forensic science in Idaho. The briefing is open to officers of the court, law enforcement, and other stakeholders such as public officials and employees. Registration for this webinar series requires a public email address or special permission by the ISPFS Lab System Director.

Register at: <https://forms.gle/LvGV33v4fhgb7TdaA>

When: **Thursday, July 20th**

Time: **1 p.m.**

Topic: **Controlled Substance Analysis**

The Idaho State Police Forensic Services is pleased to provide information on controlled substance laboratory testing and current drug trends.

The presentation will cover the following:

- The types of testing we perform
- How we choose which items to analyze
- How to interpret your report
- Current drugs being seen in the state

Presented by:

Corinna Owsley

Chemistry Discipline Lead

Idaho State Police Forensic Services
