

# Idaho Forensic Science Forum

A monthly presentation of the most current and timely information regarding forensic science in Idaho. The briefing is open to officers of the court, law enforcement, and other stakeholders such as public officials and employees. Registration for this webinar series requires a public email address or special permission by the ISPFs Lab System Director.

Register at: <https://forms.gle/LvGV33v4fhgb7TdaA>

When: **Thursday, March 21st**

Time: **1 p.m. MST**

Topic:

The Idaho State Police Forensic Services Forensic is pleased to provide information on the topic of DNA Database Unit processes. This presentation will focus on the individuals that Idaho statutes allow DNA collection from, the proper collection of DNA Database samples, what happens to the sample once it is received by the lab, and how the DNA Database samples feed into CODIS (Combined DNA Index System).

The main topics will be:

- Who Idaho statutes allow DNA Database collection from
- How to collect a DNA Database sample
- How the DNA Database sample is processed in the lab
- The relationship between DNA Database and CODIS

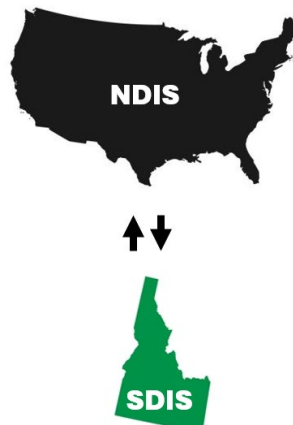

Presented by:

Jodie Carney, MS, ABC-MB

DNA Database Forensic Scientist II

Alternate State CODIS Administrator
