Fingerprint Statement Form

Alcohol Beverage Control may issue a license pending my fingerprint card background check from the FBI. This process takes approximately 8 weeks. If, for any reason, a partner, a corporation or association member, or myself, do not qualify for the issuance of an alcohol license, the license will no longer be considered valid and I will return the license to the Idaho State Police, Alcohol Beverage Control. See IDAHO CODE §§ 23-907, 23-1010 and 23-1307.
