Dear Major Rollins:

ASCLD/LAB is in receipt of your request for extension of accreditation for the three (3) laboratories of the Idaho State Police Forensic Services located at Meridian, Pocatello and Coeur d'Alene. A six month extension of accreditation has been granted under the ASCLD/LAB-*International* program, to each laboratory, from September 28, 2012 until March 28, 2013.

You should continue to work with Lead Assessor Richard Frank as he completes the assessment process. If you have any questions related to this extension, please feel free to contact ASCLD/LAB Accreditation Program Managers Tracy Cheaney-Plummer, John Neuner or myself.

Sincerely,

Ralph M. Keaton
