

IDAHO STATE POLICE PROCEDURE

06.18 SEARCHES AND SEIZURES

I. General

A. This procedure cannot specifically reference all circumstances in which troopers may conduct searches and make seizures without a warrant. Troopers rely on initial and continued training, and guidelines in ISP procedures [06.05 Vehicle Impound](#), and [07.11 Patrol Operations](#) for direction specific to certain situations.

Additionally, [Idaho Code 67-5101](#) governs civil and criminal enforcement of state laws and regulations concerning certain matters in Indian country as defined in federal law.

B. Searches at crime scenes and under exigent circumstances are conducted according to training and current law.
