## **OBJECTIVES AND GOALS**

The Idaho State Racing Commission operates under the authority of the Idaho Horse Racing Act Title 54, Chapter 25 Idaho Code. The Commission is vested by law with full authority to prescribe the rules, regulations and conditions under which horse and simulcast racing with pari-mutuel wagering may be conducted in Idaho. The Commission also has the power to govern, direct and regulate racing in Idaho.

The Commission's primary objective is to maintain the integrity of horse racing in Idaho. This is carried out in a number of ways. Close supervision by the Commission and its representatives at the tracks insure the public and the participants:

1. that the Association conducting a race meeting is operated by responsible management;
2. that every owner and trainer seeking to enter a horse in competition is a person of good character and of financial responsibility.
3. that every horse appearing in a race is the animal that it is represented to be on the program and is carrying the correct weight as assigned by the track handicapper.
4. that every race run will represent a true competitive effort by every participating rider or horse;
5. that no rider during the running of a race, commits any act that would tend to make the race anything other than a true competitive test;
6. that every horse is physically fit to race;
7. that no one responsible for the custody of a competing animal has administered or permitted to be administered any forbidden medication to the competing animal;
8. that every racing association is doing its utmost to provide the spectator public, the animals and their attendants the best possible facilities that it can afford.

The Commission also fulfills the role of liaison, acting as the intermediary; between the various associations and the Government of Idaho.

The primary goals of the Commission are to build a strong and credible industry, to operate the Commission offices as efficiently and economically as possible and to serve as a steadfast entity on which the industry and the public can depend upon to preserve and maintain the integrity of horse racing in Idaho.
