Dear Ms. Cutler,

The analytical data submitted by your laboratory for the Collaborative Testing Services blood alcohol proficiency test 23-5641 has been received. Based upon the evaluation of the reported values, your laboratory continues to be approved to perform ethyl alcohol determinations for legal purposes. This is pursuant to the rules governing alcohol testing mandated by IDAPA 11, Title 03, Chapter 1.

Sincerely,

Matthew Gamette  
Laboratory System Director
