

IDAHO STATE POLICE

TO: Idaho Prosecutors
FROM: Major Clark Rollins 
SUBJECT: ALCOHOL RESTITUTION
DATE: March 8, 2012

As per Idaho Code 18-003(2) the Idaho State Police Forensics Services will be requesting restitution for all alcohol cases in which analysts must travel and testify. This is in addition to the restitution request for the analysis which is obtained at the time your office retrieves the analysis report from the ISP Forensic Services Lab Reporting System.

Attached you will find a copy of the Alcohol Restitution form which we will submit to you at the completion of any case that would require an analyst's testimony prior to sentencing. The additional restitution request will only cover the cost of transportation to and from the court venue, allowable per diem, lodging (if necessary), and compensation for the court related hours of the analyst.

If you have any questions or concerns, please feel free to contact me at (208)-884-7202 or at clark.rollins@isp.idaho.gov.
