## Robbery

*Definition*

- The taking, or attempting to take, anything of value under confrontational circumstances from the control, custody, or care of another person by force or threat of force or by putting the victim in fear of immediate harm -

Robbery is a violent confrontation between an offender and a victim; however, it is classified as a crime against property because the primary reason for committing the offense is to take something of value.

- Estimated amount stolen \$7,746,707; amount recovered \$3,586,624.

A motor vehicle is defined for UCR purposes as a self-propelled vehicle that runs on land surface and not on rails, and whose primary purpose is to transport persons. Motorcycles, scooters, snowmobiles, golf carts, etc. are categorized under "other motor vehicles." Recreational vehicles are specifically designed to transport people and also provide them temporary lodging for recreational purposes. Tractors, farm and industrial equipment, and lawn mowers are not considered "motor vehicles," as their main purpose is not to transport persons. Motor vehicle theft includes the offense of "joy riding."

## Counterfeiting/Forgery

*Definition*

- The altering, copying, or imitation of something, without authority or right, with the intent to deceive or defraud by passing the copy or thing altered or imitated as that which is original or genuine; or the selling, buying, or possession of an altered, copied, or imitated thing with the intent to deceive or defraud -

The data collection objective for this offense is to identify what type of item was counterfeited or forged. Nonnegotiable items, such as checks, money orders, and traveler's checks which are not endorsed, are reported with a zero value as these documents require further action to become negotiable.
