

Please read before you begin the online training:

In order to take the online course(s) you will need to register for a free Canvas account. Follow this link, https://canvas.instructure.com/register_from_website and register as a student on the Canvas website. You will be asked for a "join code". Use the following code: **ON-PREMISES, 9MLJKN**. After registering for an account, return to this page and click on the following link or you may search for the course using the title of the course.

If you choose to search for courses on Canvas, follow these instructions:

1. Select the courses title on the left side tab.
2. Select browse more courses on the top right side.
3. In the name field type in class name (i.e. on premises) then select search.
4. Select join course.

****This training is not affiliated with TIPS Training, ServSafe, etc. Please check with your local licensing authority (city and/or county) to ensure the Idaho State Police Alcohol Beverage Control training meets the necessary alcohol server requirements.**

All alcohol retailers, where alcohol is consumed inside the licensed premises (bar/restaurants) or sold to be consumed elsewhere (grocery/convenience store).
