

Idaho Forensic Science Forum

A monthly presentation of the most current and timely information regarding forensic science in Idaho. The briefing is open to officers of the court, law enforcement, and other stakeholders such as public officials and employees. Registration for this webinar series requires a public email address or special permission by the ISPFS Lab System Director.

Register at: <https://forms.gle/LvGV33v4fhgb7TdaA>

When: **Thursday, October 19th, 2023**

Time: **1 p.m.**

Topic: **Choking ≠ Strangulation – knowing what to ask, how to ask it, and why we must**

Trigger warning: content could be considered disturbing and/or sensitive in nature. Please be advised and prioritize your well-being.

The Idaho State Police Forensic Services Forensic is pleased to provide a statewide update from the Forensic Nursing Unit at Idaho State Police.

The main topics will be:

- 2023 update: SANE-A classes, trainings, SART formation
- Plans for 2024: tentative training schedule, strangulation manual
- Understanding SARTs and the role of the SANE
- Trauma-informed interactions with victims of sexual & intimate partner violence
- Shedding light on strangulation in the context of sexual & intimate partner violence
- The intersections of strangulation and specialties within a multidisciplinary team

Presented by:

Madison Helfrich BSN RN CEN & Deb Wetherelt RN SANE-A
Idaho SANE/SART Coordinators

“...So, when you hear ‘He choked me,’ now we know YOU ARE AT THE EDGE OF A HOMICIDE.”

-Casey Gwinn,
co-founder, Training
Institute on
Strangulation
Prevention
