OBJECTIVES AND GOALS

The Idaho State Racing Commission operates under the authority of the Idaho Horse Racing Act Title 54, Chapter 25 Idaho Code. The Commission is vested by law with full authority to prescribe the rules, regulations and conditions under which horse and simulcast racing with pari-mutuel wagering may be conducted in Idaho. The Commission also has the power to govern, direct and regulate racing in Idaho.

The Commission's primary objective is to maintain the integrity of horse racing in Idaho. This is carried out in a number of ways. Close supervision by the Commission and its representatives at the tracks insure the public and the participants:

1. that the Association conducting a race meeting is operated by responsible management;
2. that every owner and trainer seeking to enter a horse in competition is a person of good character and of financial responsibility;
3. that every horse appearing in a race is the animal that it is represented to be on the program and is carrying the correct weight as assigned by the track handicapper;
4. that every race run will represent a true competitive effort by every participating rider or horse;
5. that no rider during the running of a race, commits any act that would tend to make the race anything other than a true competitive test;
6. that every horse is physically fit to race;
7. that no one responsible for the custody of a competing animal has administered or permitted to be administered any forbidden medication to the competing animal;
8. that every racing association is doing its utmost to provide the spectator public, the animals and their attendants the best possible facilities that it can afford.

The Commission also fulfills the role of liaison, acting as the intermediary; between the various associations and the Government of Idaho.

The primary goals of the Commission are to build a strong and credible industry, to operate the Commission offices as efficiently and economically as possible and to serve as a steadfast entity on which the industry and the public can depend upon to preserve and maintain the integrity of horse racing in Idaho.

The Racing Commission requires an annual accounting of expenditures from these trustee-and-benefit account recipients. In 2017 this fund generated \$1,821.70 and was distributed as follows:

Idaho Thoroughbred Association	\$227.75*
Idaho Quarter Horse Association	\$1,486.55*

The Commission has implemented and executed its plan to pay the Public School Income Fund from the funds earmarked for the breeders associations until the total amount has been properly distributed.

IDAHO HORSE COUNCIL YOUTH PROGRAM

Idaho Code Section 54-2513 did not include the Idaho Horse Council Youth Programs Account, so the Commission had no statutory instructions for distributing these funds until Senate Bill 1298 was passed in the second regular legislative session of 2016. Senate Bill 1298 was effective as of March 16, 2016, with a sunset clause as of July 1, 2016. While Senate Bill 1298 contained the instructions for distributing the funds in the Idaho Horse Council Youth Programs Account, the bill did not include the authority to distribute the funds. Since that authority was originally contained in Idaho Code Section 54-2512A, which was repealed effective September 10, 2015, the Commission was still not authorized to distribute the \$143,314 balance in that account.

Senate Bill 1166 of the 2017 Legislative Session included the following intent language:
SECTION 4. YOUTH EQUINE EDUCATION. Of the amount appropriated in Section 1 of this act from the Pari-mutuel Distributions Fund, the balance of the Idaho Horse Council Youth Programs Account, up to \$143,400, shall be used solely for youth equine education and promotion of equine-related youth development programs of the Idaho Horse Council.

The ISRC distributed \$143,313.66 on July 28th, 2017 to the Idaho Horse Council.

FINANCIAL SUMMARIES

In March 2005, HB 85aa relating to reports of the Idaho State Racing Commission amended section 54-2505, Idaho Code, to clarify the content of the annual report. The annual report shall be submitted to the Governor's Office on or before the thirty-first day of March each year and shall cover the activities of the commission, including the financial report of the commission and a financial summary of licensees subject to section 54-2508, Idaho Code, and organizations of licensees defined in section 54-2502(3), Idaho Code. The information on this page has been assembled by asking the various racing associations to provide us with their revenue and expenditure information and presenting it here.
