Proposal Abstract

Idaho's BJA FY 2026 Edward Byrne Memorial Justice Assistance Grant (JAG) will be utilized to fund eligible projects in Idaho, which address one of the eleven JAG purpose areas: law enforcement programs; prosecution and court programs; prevention and education programs; corrections and community corrections; drug treatment and enforcement programs; planning, evaluation, and technology improvement programs; crime victim and witness programs (other than compensation); mental health programs and related law enforcement and corrections programs, including behavioral programs and crisis intervention teams; implementation of state crisis intervention court proceedings and related programs or initiatives, including, but not limited to, mental health courts, drug courts, veterans courts, and extreme risk protection order programs; programs to purchase and operate unmanned aircraft systems (as defined in section 44801 of title 49, United States Code) to benefit public safety; and programs to purchase and operate counter-UAS systems (as defined in section 44801 of title 49, United States Code) included on the list of technologies established by subsection (d)(2)(A)(iii) section 210G of the Homeland Security Act of 2002 (6 U.S.C. 124n(d)(2)(A)(iii)) to exercise the authority granted under subsection (a)(2) of such section. Idaho does not have laws related to extreme risk protection orders (ERPO) nor any plans to enact ERPO programs, therefore JAG funding will not be used for the creation and/or implementation of any ERPO programs. It is anticipated that JAG subgrantees will be from various state, local, tribal, faith-based, and non-profit organizations throughout the state who serve communities in both rural towns and urban cities within Idaho.
