Idaho Missing Person Clearinghouse Report 2023

This report is designed to identify the characteristics of Idaho Missing Persons who were entered into the National Crime Information Center (NCIC) for the year 2023. This report has no specific investigative reports or techniques, but an overall picture of missing persons in Idaho. All investigations are done at the local police or sheriff's office. Any questions regarding specific case information should be directed to them. The data collected for this report is from January 1, 2023, through December 31, 2023.

Terms and definitions:

Missing Person: Idaho code 67-2922, "missing person" means a person whose whereabouts are unknown to a parent, guardian, caretaker, or others who have normal contact with the person.

The National Crime Information Center (NCIC) is an information system that contains records contributed by and accessible to criminal justice agencies nationwide. The missing person files are broken down into six categories.

Disability – A person of any age who is missing and under proven physical/mental disability or is senile, thereby subjecting him/herself or others to personal and immediate danger.

Endangered – A person of any age who is missing under circumstances indicating that his/her physical safety may be in danger.

Involuntary – A person of any age who is missing under circumstances indicating that the disappearance may not have been voluntary i.e., abduction or kidnapping

Juvenile – A person who is missing and not declared emancipated as defined by the laws of his/her state or residence and does not meet any of the entry criteria outlined in the Disability, Endangered, Involuntary, or Catastrophe Victim categories.

Catastrophe Victim – A person of any age who is missing after a catastrophe.

Other – A person not meeting the criteria for entry in any other category who is missing and 1) for whom there is a reasonable concern for his/her safety or 2) a person who is under the age of 21 and declared emancipated by the laws of his/her state of residence (*By Title 34, United States Code, Section 41307(a), agencies are required to enter records into the NCIC Missing Persons file within two hours for individuals under the age of 21*)

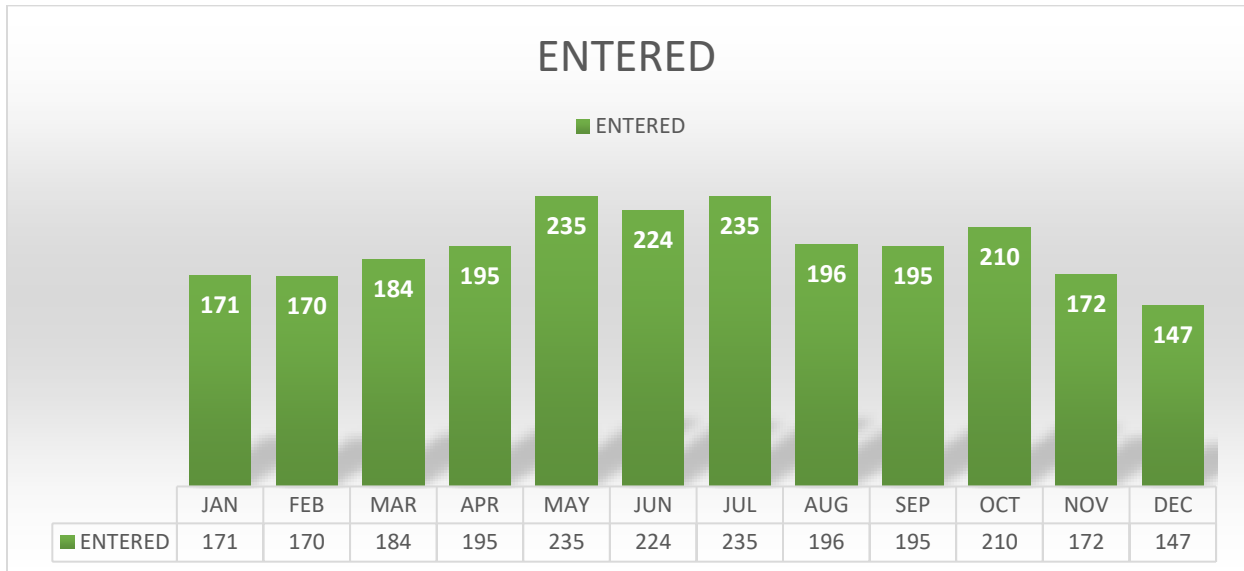

Entered Records– records entered into NCIC during the timeframe of this report.

Purged Records – records that are canceled/cleared/located out of NCIC during the time frame of this report.

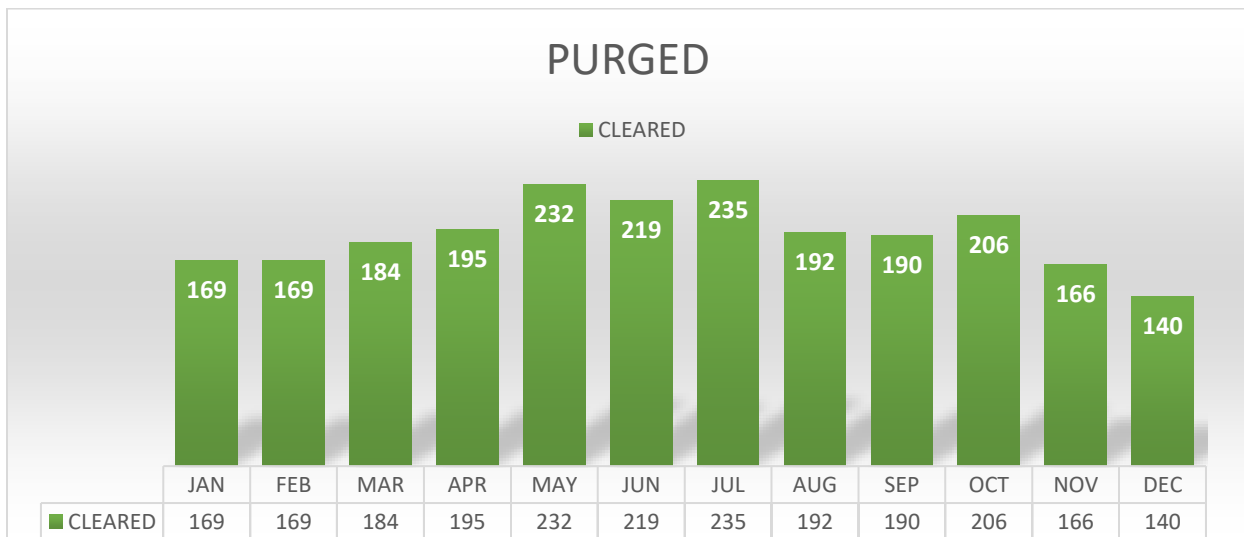

Modify and Supplemental Records – Adds specific identifiers, including dental, fingerprints, DNA, vehicles, or other information designed to bolster the information of the missing person file.
