Good morning,  
Here is the requested form regarding reciprocity.

In accordance with TCA § 39-17-1351(r)(1), Tennessee continues to honor facially valid handgun permits, firearms permits, weapons permits or license issued by another state according to its terms and shall be treated as if it is a handgun permit issued by this state; provided, however, this shall not be construed to authorize the holder of any out-of-state permit or license to carry, in this state, any firearm or weapon other than a handgun. Additionally, for a person to lawfully carry a handgun in certain areas of this state, the individual must have a valid handgun permit, firearms permit, or weapons permit or license. In these areas, when carrying a handgun that is based upon a permit or license issued by another state, the person must always be in possession of the permit or license while carrying a handgun in these specific areas.

Please let me know if there is anything else we can do to help.
