Dear Ms. Altig:

I am responding to your letter dated July 27, 2018 regarding inquiry as to whether the State of Connecticut recognizes other states permits as a validation to carry in our state. Under C.G.S. 29-28 (f) Any bona fide resident of the United States having no bona fide residence or place of business within the jurisdiction of any local authority in the state, but who has a permit or license to carry a pistol or revolver issued by the authority of another state or subdivision of the United States, may apply directly to the Commissioner of The Department of Emergency Services and Public Protection for a permit to carry a pistol or revolver in this state. All provisions of subsections (b), (c), (d) and (e) of this section shall apply to applications for a permit received by the commissioner under this section. The State Of Connecticut does not recognize other permits as a valid indicator to carry and must obtain a valid State of Connecticut Pistol Permit. Non-residents may apply and all information is available through our unit (860) 685-8494 or through our website at www.ct.gov/despp.

If I can be of any further assistance, please do not hesitate to contact me at (860) 685-8329.

Sincerely,

Lieutenant John B. Ceruti
